How did you find out about the foster care program, and why do you want to be involved?

I understand that I will receive no monetary compensation for fostering pets with the Iredell County Humane Society, however I can be reimbursed for basic expenses such as food.. Routine veterinary expenses for any foster pet will be paid by the I.C.H.S. and in the event that the animal needs care beyond routine expenses, that decision will be made by the I.C.H.S. If I have received equipment such as crates, kennels, pens, doghouses etc, I understand that these items are intended to be used for my foster pet and I will return all borrowed equipment in good, clean condition. The I.C.H.S. will not be held liable for any injuries or damage caused by this foster pet. By submitting this application I agree to all the above terms.
