I understand that I will receive no monetary compensation for fostering pets with the Humane Society of Iredell, however I can be reimbursed for food and litter. Routine veterinary expenses for any foster pet will be paid by HSI and in the event that the animal needs care beyond routine expenses, that decision will be made by the Executive Director of HSI. If I have received equipment such as crates, kennels, pens, doghouses etc, I understand that these items are intended to be used for my foster pet and I will return all borrowed equipment in good, clean condition. I understand that this pet is the property of HSI and will be returned to HSI upon request. HSI will not be held liable for any injuries or damage caused by this foster pet. By submitting this application I agree to all the above terms.
